RE: Pacific Sport Institute

Dear Dr. Ashton:

The Lower Island Soccer Association represents eleven soccer clubs whose territories extend even beyond the Capital Regional District – from Duncan and the Cowichan Valley in the north, to the Western Communities and Sooke in the west, Salt Spring Island and the outer Gulf Islands and Thetis Island in the east. There are approximately 15,000 youth and adult soccer players associated with the clubs in this area.

The Lower Island Soccer Association recognizes and applauds the commitment that Camosun College is taking to advance the interests of all levels of sport by partnering with Pacific Sport Victoria, and with both the Federal and Provincial Governments in creating the Pacific Sport Institute. The institute, scheduled to open in the Spring of 2008, will provide a facility and programs that will be not only the first of its kind in Canada, but unique in the world.

To every extent possible, the Lower Island Soccer Association commits to providing support and assistance to Camosun College to help ensure the success of the institute.

We look forward to working with you.

R. Tim Satterford
President
Lower Island Soccer Association
